Colour Badge Standard Times for Scolty 3/2/13

White – all who completed the course
Yellow – 33:58
Orange – 38:00
Long Orange – 105:09
Light Green – 53:48
Green – 88:58
Blue – 112:30
Brown – 109:25

These Colour Badge Standard times are calculated from the winner's time x 1.5 OR the time for the last of the top 50% of finishers, whichever gives the greater number of qualifiers.

Juniors can also use the results to count towards the SOA participation and performance badge schemes. GJOs, have a word with Oonagh Grassie about how to log these in the pack you should have been given when you joined.

As the results have also been submitted to BOF, they will count towards the BOF incentive schemes and you'll get an email with your certificate once you've done sufficient courses at the required speed/level.
